- Eligibility for the Wisconsin State Exam will be reviewed by the AAVSB at the same time as the eligibility review for the VTNE.
- AAVSB staff will send a list of eligible candidates to TesTrac at the end of the VTNE application window. You will receive an email from @testrac.com with your Logon ID and Password as well as the link to your exam login page.
- Once you have received your email from TesTrac, you have 60 days to login and take the exam.
- After you log in, scroll to the bottom of the page and click "I accept these terms and conditions," after reading through them.
- If your assignment expires, please email spa@aavsb.org requesting your exam to be reset.
- Click on the exam "Assigned to me".
- You will then pay the exam fee of \$50 by credit card. All major credit cards are accepted. All retakes are the same price.
- This is an open book exam and you can access the jurisdiction's statutes, laws and rules on the jurisdiction's website. (https://datcp.wi.gov/Pages/About_Us/VeterinaryExaminingBoard.aspx)
- There are 45 questions and you must achieve an 88% to pass.
- You can pause your test after it's started; however, you MUST complete the exam in 24 hours or the assigned exam is terminated and the score will be reported as is.
- You will be provided a pass or fail at the end of the exam.
- TesTrac will provide your score to the AAVSB every Monday. The AAVSB will report scores to the Wisconsin Veterinary Examining Board.
- Contact the Wisconsin Veterinary Examining Board for your next steps in the licensure process.
- If you need to retake the state exam, you will need to pay the \$50 exam fee again. The AAVSB will send you retake information and you will receive another email from TesTrac with new logon information.
